War of Gog and Magog

Ezekiel Chapters 38 & 39 and Zechariah Chapter 14 tell of this war.

DEBKAfile Special Report **August 20, 2010**, 1:04 PM (GMT+02:00) - Sources close to the Palestinian Authority leader Mahmoud Abbas quoted him as saying that direct talks with Israel were **not** in the offing because "a **big military surprise** awaits the Middle East."

In his book "The Final Act", Pastor Chuck Smith of Calvary Chapel, Costa Mesa, says on page 49, "The European Union cannot rise to predicted prominence as long as the Russian Alliance poses such a tremendous threat to the European continent." Page 51 says 5/6ths of an invading army from Russia, Iran, Libya, Turkey and others will be wiped out.

Until recently, Turkey, Egypt and others were allies, or at least not enemies, of Israel. With the overthrow of multiple governments in the Middle East, that has all changed.

Russia cannot expand to the East or West as it would mean war with China or Europe. Czar Putin, as the press call him, claimed the North Pole for Russia.

At the time, there were fears he would attack America, but Russia was too weak. ⚡ The only way left for Russia to expand is to the South. ⚡

Russia will not stop trying to wipe out Israel: Russia was involved in the 1967 war, the 1973 Yom Kippur War and a thwarted invasion of Israel in 1982. It took more than 20 semis, hauling 24 hours a day, more than 3 months to haul away the weapons captured in 1982.

God will be sending this army against Israel. However, God will be fighting on Israel's behalf.

Israeli Jet

He will send the invaders against the Mountains of Israel. He sends a great earthquake, rain, hailstones, fire, *burning sulfur*, bloodshed, fear and confusion so the invading army will fight against itself.

Burning Sulfur

[THROUGHOUT the sites (of Sodom and Gomorrah) are very unusual balls of pure elemental sulfur.]

The Bible states "...the LORD rained upon Sodom and upon Gomorrah brimstone and fire, from the LORD, out of heaven." (Gen 19:24)

["Considering its supernatural origin, one would expect to find unique characteristics in such sulfur, and this is indeed the case. Its composition reveals lengthy exposure to high temperatures. Sulfur found in geothermal regions is invariably the "rhombic" form, evident from its familiar bright yellow color.

By contrast, the brimstone from these Dead Sea sites is the pale white "monoclinic" form. Sulfur changes to this form when exposed to high temperatures for an extended period of time, as would have been the case.

X-ray Fluorescence Semiquant analysis and other tests reveal the sulfur balls to be up to 98.4% pure sulfur, significantly more pure than naturally occurring sulfur.

The sulfur balls have been found at all five destroyed cities, and although numerous geologists have been consulted, no other examples of naturally occurring sulfur is found anywhere on earth that remotely resembles the form found at these sites." -- Chariot.net]

“On that day I will give Gog a burial place in Israel, in the valley of those who travel East toward the sea. It will block the way of travelers, because Gog and all his hordes will be buried there.”

God gives Putin, Ahmadinejad and their armies as food for birds and animals.

Birds Gather in Israel for the Feast

In recent years, for the first time in 2500 years, the Griffin Vulture has stopped in Israel to nest there for the year, instead of continuing on its annual migration from Africa to Asia or Europe.

7 Years Worth of Energy

“For 7 years they will use the weapons for fuel,” possibly referring to the gasoline and diesel spoils of war.

“I will display my glory among the nations, and all the nations will see the punishment I inflict and the hand I lay upon them.”

Israel has had the Neutron Bomb since the 70’s, before the U.S. had it. Misnamed as a humanitarian weapon, it kills by ultra-high radiation, but leaves buildings intact. Eyeballs melt and pour down people’s faces, flesh dissolves and sores won’t heal.

Radiation Sickness

“This is the plague with which the Lord will strike all the nations that fought against Jerusalem: Their flesh will rot while they are standing on their feet, their eyes will rot in their sockets, and their tongues will rot in their mouths.”

“At the end of 7 months, (following a wait for radiation to disperse) they will begin their search.

“As they go through the land and one of them sees a human bone, he will set up a marker beside it until the gravediggers have buried it.” “For 7 months the house of Israel will be burying them in order to cleanse the land.”

Placing Markers

Once again, forces working against God in Egypt, Lebanon, Tunisia, Yemen, and Morocco resume churning events closer and closer to the War of Gog and Magog. The attempted noose around Israel is tightening.

It is not the ascendancy of Muslim forces completing the ominous circle around Israel that you have to worry about. God defends Israel. It is the antichrist rising to power after that you need to worry about.
